

Hello fellow innovators

KI Presentation & Networking sessions are held on the 3rd Wednesday of the month at 18.30 (not August nor December) at **Kingston University Penrhyn Road Campus (KT1 2EE), John Galsworthy Building ([Campus Map](#))**, usually in **Room PRJG5014**.

Newcomers are VERY welcome!

1st-timers are particularly welcome; you'll meet friendly people who have taken products to market (including all the *mistakes* **learning points** along the way!) and are happy to share their knowledge & experience for the good of the community. You can discuss your ideas with complete confidence under our Non-Disclosure Agreement and get tips on everything from IP protection to manufacturing. It costs just £1 to attend the meeting, and any feedback or ideas you receive are free!

Do you want to present?

Anyone can present their ideas to the group (also protected by the NDA), so please simply turn up as near to 18:30 as possible and make your way to the front where the computer and presentation equipment will be waiting for you. Check that your technology works and be ready to begin at 19:00 when the meeting starts!

Presentation & Networking Meeting

18:30-19:00 - Arrival, NDA Signing & £1 Meeting Contribution.

19:00-21:00 - **Presentations & Networking Session**

21:00-??:?? - Vacate room for further optional networking at the nearby Spring Grove pub (Bloomfield Road, KT1 2SF)

The full address for the meeting and all other visitor information can be found on our website at **[Visit & Contact Us](#)**.

Looking forward to seeing many of you at the meeting:)
